SIBUGLAS

Kratzbeständige Highgloss-Oberflächen kombiniert mit außergewöhnlichen Designs schaffen die Basis für langlebige Designobjekte. Der Echtglaseffekt erzeugt eine revolutionäre Tiefenwirkung und SIBUGLAS punktet dank seiner Materialbeschaffenheit mit geringem Gewicht und einer stark reduzierten Bruchgefahr.

Scratch-resistant high-gloss surfaces combined with extraordinary designs create the basis for long-lasting design objects. The real glass effect creates a revolutionary depth effect and thanks to its material properties, SIBUGLAS scores with low weight and a highly reduced risk of breakage.
